

Snow and other emergency closure information:

In the rare event that we have to make the decision to close due to snow, the information will be sent on Parentmail (although be aware that messages take time to get through when a lot of schools are using parentmail), so please also check on the local authority website www.cambridgeshire.gov.uk or it can be accessed by searching for 'Cambridge School Closure' We aim to make a decision by 7.30am. You can also tune into :

BBC Radio Cambridgeshire

Heart 103 Cambridgeshire

If we have to close during the school day a parent mail message will be sent out . Whilst we will endeavour to make any decision relating to closure as early in the morning as we can, weather and road circumstances mean that this may not always be possible and we ask for your understanding in this.
