

DRY DRAYTON SCHOOL PRAYER

Father God

Thank you for our caring school.

May our school always be

a place of love and safety,

a place of forgiveness and joy,

a place of friendship and learning.

Bless our teachers and all who we meet at school.

May our education be exciting,

and may our visits to new places be voyages of discovery.

Help us to remember that as many hands build a house,

so many hearts make a school.

Amen.
